## About Us

Meow & More was born from a simple idea — to create a cozy cafe where people and cats can find comfort together. Our space is designed not only to serve delicious food and drinks but also to give stray and abandoned cats a safe, loving home.

Guests can relax with a cup of coffee, enjoy a peaceful atmosphere, and even connect with our cats. For those who fall in love with a furry friend, we also offer the opportunity to adopt, giving these cats a chance to find their forever homes.

Meow & More is more than a cafe — it's a place where compassion, comfort, and companionship come together.
